VENDOR BOOTH

Rayzur's Best Batch Crawfish Cook-Off, Inc. is a Texas 501 (3) (c) non-profit corporation that has been created to raise and distribute funds for charitable and educational purposes in Brazoria County, Texas. Each year, our corporation provides an entertaining event for all to enjoy and a good-natured competition for those in the community who wish to prove who can cook the best batch of crawfish.

This year we are hosting our 8th Annual Best Batch Crawfish Cook-Off on May 5-6, 2017 at the Brazoria County Fairgrounds in Angleton, Texas. I invite you to participate as a vendor of this event. Portions of the proceeds will benefit a local charity.

This is a great opportunity for your company to receive exposure and to help support a worthy cause. With your support, and the continuing support of our past vendors, we feel confident this year's event will be successful.
